What does it mean to be in Huron choirs?

Community

Congratulations on being a part of a wonderful tradition of choral excellence at Huron High School! *Choir is a community and family, not just a class. It means something to be a part of this group.* There is a bond that occurs between people who sing together that is different from any other. When you become a choir member at Huron, you not only receive outstanding opportunities for making music. You also become part of a large family of people who are committed to supporting one another. It is crucial that you, as a member of this community show respect for others, making sure everyone feels welcome and safe as a part of the group. This is true between singers from different choirs as well. Officers are elected for each choir. All choir officers are expected to meet at least three times a semester to plan team-building/social events for the choirs which develop community. *It is extremely important that all Huron choir students take care of each other and treat each other with kindness.*

Commitment to Excellence

Our concerts and performances can only be as good as our rehearsals. The key to a successful rehearsal is hard work! Our success depends upon the focused efforts of each member each day in rehearsal. The students who give their all are usually the most accomplished and most respected musicians in their respective choirs. Every student has to be committed to giving their best effort in all aspects of rehearsals for the choirs to be successful. The reward for this hard work is an experience unlike any other in school: fun, excitement, the chance to be a part of a very successful group, team-working skills, self-discipline, and a lifelong passion for music and life.

Bell procedure

-Students should be in their assigned seat with their choir folder, music, and pencil when the bell rings. If a student is not in their seat when the bell rings, they may be marked tardy.

Cell Phones

-THE USE OF CELL PHONES IN CLASS IS NOT ALLOWED UNLESS DIRECTED BY THE TEACHER. If a student has a cell phone out in class, it may be taken and turned in to the office. There will be some days that students will be allowed to bring their electronic device to participate in class activities. Students will be notified of these days in advance.

Food and Drink

-Students are to bring only water into the room. This applies both before and after-school.

Passes

All students need to bring their Huron student planner to class. This will also be used as a bathroom pass from class.

The Choir Curriculum includes the study of:

- Vocal Technique-posture, breathing, tone, vowel unification, diction, articulation, dynamics, phrasing and syllabic stress, and stage presence
- Sight Singing, Music theory, symbols, and vocabulary
- Historical and cultural contexts of music
- The relationship of music to the human experience.

Huron Choirs Curricular Ensembles:

There are currently four curricular ensembles at Ann Arbor Huron High School.

| | |
|------------|---|
| Cantando | Cantando is a treble choir, grades 9-12. |
| Cantare | Cantare is a tenor-bass choir, grades 9-12. |
| Bel Canto | Bel Canto is the advanced treble SSAA ensemble open by audition only. This ensemble is open to qualified freshmen, but most members are in their second or third year in the program. |
| A Cappella | A Cappella is the advanced SATB choral ensemble open by audition only. This choir is open to singers grades 10-12 who have successfully completed an audition. Most members have completed at least one year in Bel Canto and Cantando/Cantare. |

Extra-Curricular Ensembles

There are currently six extra-curricular ensembles at Ann Arbor Huron High School, comprised of students enrolled in the curricular ensembles.

| | |
|---------------|---|
| Chamber Choir | Comprised of singers from A Cappella Choir who audition and are chosen for this treble and bass voiced ensemble. Maximum number of members is 20 and meets on Tuesdays and Thursdays after school from 2:45-3:20. |
|---------------|---|

There are several a capella groups listed below that meet as student led clubs. Some or all of these will meet each year depending on the students who are part of them. They choose their own rehearsal times and places and sometimes rehearse at their homes.

| | |
|---------------|----------------------|
| Duly Noted | (Mixed SATB voices) |
| Pitch Please | (Mixed SATB voices) |
| Harmonics | (Treble voices only) |
| Treble Makers | (Treble voices only) |
| Clef Hangers | (Treble voices only) |

Auditions for Extra-Curricular groups take place in September. Members of any extra-curricular ensemble are required to participate in a curricular choir at Huron. Auditions for Chamber Choir and the other extra-curricular choirs take place in September.

Concert Attire

All choir students will be provided with concert attire that is specific to their ensemble-either a dress or a tuxedo. A *cleaning fee of \$20* will be collected from each student to cover the maintenance cost of the dresses and tuxes. Students are required to wear black socks or skin colored hosiery and black closed toe dress shoes.

Huron Choirs Performance Calendar

-Rehearsals and concerts are required for all choir students-See below for the concerts specific to your choir. Students are expected to stay at their required performance until the end of the concert. It shows respect for the other choirs and you will learn more about singing by listening too!

Performance Activities

The Huron Choirs perform several concerts each year in Meyers Auditorium. Students in advanced choirs may attend District and State level events as well which are off-site. Performance activities include but are not limited to:

Solo and Ensemble Festival

Solo and Ensemble Festival provides opportunities for interested singers to individually prepare a musical performance. Students perform solos for an adjudicator who provides feedback, instruction, and an overall performance rating. This festival takes place in early February. Students who wish to participate should be studying privately with a voice teacher in order to prepare the required literature for the festival. Chamber Choir performs at Solo and Ensemble Festival. If the singer and or Chamber Choir receives an excellent rating at District festival, they may participate in State Solo & Ensemble.

Michigan Youth Arts Festival

The very best solos and ensembles from all of Michigan who perform at State Solo & Ensemble Festival are selected to perform at the Michigan Youth Arts Festival in Kalamazoo at Western Michigan University.

Choral Cavalcade

The Huron choirs perform each year with some of the Ann Arbor middle school choirs.

Choral Festival

Bel Canto Choir and A Cappella Choir perform at District Choral Festival (March). If the choirs receive a rating of Excellent, they also have the opportunity to participate in State Choral Festival (April). The Huron Choirs consistently receive top ratings at Choral Festival.

Choir Tour

About every three years, Bel Canto and A Cappella Choirs go on tour. Fundraising is done throughout the summer and school year to make sure every student from these choirs is able to go on the trip.

Private Voice Study

Many of our students elect to study voice privately. We have a teacher who comes to Huron for this purpose if a student wishes to study at school. Contact Mrs. Kidd or Mr. Wattleworth if you are interested in studying voice privately. Each year Huron offers two scholarships to choir students who want to take voice lessons. The scholarship will cover half the fee for the lessons. Interested students must fill out an application, which can be obtained from Mrs. Kidd or Mr. Wattleworth.

Musicals

Every other year the Huron music department and the Huron Players collaborate to present a full scale Broadway musical. On alternating years, the Huron Players present a smaller scale musical. All rehearsals and performances are after school.

Class Philosophy on Assessment/Grading Policies

In a music performance class, each student is expected to do their best at all times. This involves punctuality and focused work every day in class. The student needs to positively engage in large group as well as small group rehearsal. Everyone is important to the success of the whole choir and is expected to reflect an understanding of personal responsibility for that success. As a performance class, attendance at all scheduled rehearsals and performances is required because it is the summative assessment for the class. We are successful as a result of our collaborative efforts. This is an important life lesson. The structure of this course, along with the broad range of the cultural emphasis aligns it well with the International Baccalaureate Learner Profile.

The IB music curriculum of Huron High School centers around fostering compassionate, thoughtful, and respectful communities of learning. Through the rehearsal process students are inspired to make musical discoveries through the use of inquiry and collaboration and learn empathy for those in their ensembles in our school, community, and world.
